

Berkshire is Your Source for Innovative and High Quality Cleanroom and Controlled Environment Consumables

Berkshire USA plant in North Carolina

For more than 40 years, Berkshire has been a global leader in the engineering and manufacturing of cleanrooms and controlled environments products. With manufacturing sites in the USA, UK and China, and sales operations on four continents, Berkshire has the capabilities to meet your smallest and largest demands... no matter where you're located.

Whether you are in the medical device, pharmaceutical/biotechnology, semiconductor, optics, microelectronics or sterile pharmaceutical compounding industries, Berkshire is committed to offering you products that minimize the risk of

contamination in your cleanrooms. At Berkshire, manufacturing and providing the most advanced contamination control products is all we do.
