

BERKSHIRE & ECOVADIS SUSTAINABILITY COMMITMENT

LEADING WITH RESPONSIBILITY. RECOGNIZED FOR EXCELLENCE

Berkshire has received the **EcoVadis Committed Badge**, recognizing our dedication to responsible and sustainable business practices.

EcoVadis is a globally recognized sustainability ratings platform that evaluates companies on environmental practices, labor and human rights, ethics, and sustainable procurement. This recognition highlights Berkshire's structured approach to ESG (Environmental, Social, and Governance) initiatives and our commitment to continuous improvement. For our customers and partners, the EcoVadis Committed Badge provides independent validation that Berkshire is actively aligned with global sustainability standards and responsible supply chain expectations.

WHAT IS ECOVADIS?

EcoVadis is a globally trusted platform for sustainability assessment that evaluates companies' environmental, social, and ethical performance. Its ratings are widely used by organizations to assess supplier sustainability and manage ESG risk.

WHAT DOES THE ECOVADIS COMMITTED BADGE MEAN?

The EcoVadis Committed Badge signifies that Berkshire has completed the EcoVadis sustainability assessment and demonstrates a verified commitment to responsible business practices and ongoing ESG improvement.

WHY IS THIS IMPORTANT FOR BERKSHIRE CUSTOMERS?

Many customers rely on EcoVadis ratings to evaluate supplier sustainability. Berkshire's Committed Badge provides independent assurance that we meet sustainability, ethics, and compliance expectations across our operations.

CONTINUOUS IMPROVEMENT

The Committed Badge signifies a continuous journey. Berkshire uses the EcoVadis framework annually to identify strengths, address areas for improvement, and enhance our sustainability practices.

ANNUAL REVIEW

EcoVadis ratings are reviewed annually, ensuring that performance and improvement efforts remain current and transparent.
